**PRESS RELEASE**

## **A double exhibition with great prospects**

A new era has begun for two important trade shows in Greece with their simultaneous organization from 6 to 9 November in the impressive and most contemporary «**Metropolitan Expo**» exhibition centre, located at “Eleftherios Venizelos” area.

The 6<sup>th</sup> «**LOGISTICS Warehouse-Transport**» and the 3<sup>rd</sup> «**FETEC – Industrial Equipment**», for the first time together in this new location, offered to industrial, commercial and supply chain executives visiting, a rare opportunity to be informed about new products and services.

The combination of these two exhibitions was highly appreciated by visitors as they were given the chance to see and learn the variety of solution offered nowadays: Both for the modernization of their production process and for the simplification of their company’s processes, the faster, safer and more prompt transport of their products, etc.

All of the above were embraced within a modern area, best described by its functionality, high quality services, easy access by all means of transportation and vast parking lot. An area which – as it was generally acknowledged – gives a greater value to the exhibitions and mostly offers them an unlimited growth prospect.

The exhibitions were organized by «**T Expo**». The «LOGISTICS Warehouse - Transport» was sponsored by the «**G4S Telematix SA**» while the 3day «**Logistics Forum**» was sponsored by «**TOYOTA Material Handling**».

The official inauguration where held on Friday 6 November, at 3 pm in the reception area of «Metropolitan», with the presence of representatives from business, scientific and academic associations and businessmen, sponsored by «**Geniki Bank – Geniki Leasing**»
